Research Paper (Pre-University) from the year 2010 in the subject Theology - Biblical Theology, grade: A+, Prairie Bible Institute, language: English, abstract: After analyzing and evaluating TV, I have to say that unselective watching of TV is contrary to the goal of becoming more like Christ-demonstrated in our love for God and others (discipleship)-and contributes to the trend of declining relationships in family, neighbourhood, and church (community). In this paper I first want to highlight the core of discipleship within community; second, I want to analyze and evaluate TV; third, show the effects it has on us; and finally conclude and suggest a Christian response to TV.
