## **Woodwork Box Set (2 in 1)**

### **Book One: Woodworking: A Simple Step-by-Step Guide for Beginners to Making Fun and Creative Projects at Home**

So did you look out your backyard this morning to see that pesky not all eight year old kid hanging his latest bird feeder in his backyard and while he gets the birds and the songs all you get to see is the bird poop? How about looking a generic food tray at Walmart and say boring or look at one with your favorite team logo and see your wallet and bank account empty to pay for the royalty trademark? Or finally just wanting to put the local know it all in his place in particular after he puts you down for not able to glue two boards together?

#### **In this book you will learn:**

- What are the tools you will use
- All about how to use finishes and paints
- How to make a worktable that is sturdy and a great place for your other projects
- How to make work benches
- How to Birdhouses and Feeders that will make that snotty kid run crying for his mother
- How to make tables
- How to make stackable shelving
- How to make a magazine holder
- How to make chopping blocks and serving trays that have an inlay
- How to make a message center for the kitchen that has an area for chalk messages, magnets and finally corkboard for pinning up messages
- How to make a neat stand for your tablet and smartphone
- How to make a garden planter and a cart
- How to make a Hockey game and a Foosball game
- How to customize any project as well as design your own from scratch.

Are you ready? Then get this book and start becoming the neighborhood woodworker.

## **Book Two: Wood Pallet for Beginners: Simple, Fun and Cool DIY Projects for Interior and Outdoor Design**

So this morning at 2:00 am you heard a large crash and now that daylight has risen, you see that your front lawn is filled with pallets from an overturned semi. After the insurance adjuster has come by and issued you a check, you still have a yard full of pallets, and no idea short of the world's biggest marshmallow roast of what to do with them.

Well, buddy, there is a solution to this problem besides getting the Smores ready. And you can find this in this book. In here there is a description of what kind of wood, how it was prepared, and more importantly what to do with it.

**Inside there are plans for building furniture such as:**

- Lampstands
- TV stands
- End tables
- Bar stools for inside your house
- On the outside of your home, there are instructions on how to create a walkway, a deck, a potting table and an outdoor chair.

How do you get such information? Simple, download this book and all of this will be explained to you in simple easy to read detail. While you are downloading this book. I will be busy telling the children that the hot dog roast for tonight is off.
