Fractions are an integral part of everyday life. We work with fractions while planning, shopping, buying, cooking, and much more. This book is your resource for solving fraction woes in the classroom. Hands-on activities make learning about fractions fun and authentic. Support the activities with manipulatives to allow students to learn kinesthetically and visually, connecting abstract concepts to real-life situations. A pretest and post test is included along with practice worksheets across the math curriculum and a skill specific trouble-shooting guide. Reproducible.
