His First Christmas: The Lonely Billionaire - A Heart-Warming Romance Novel Lara Hunter, Holly Rayner

Anna Lionel loves Christmas. She loves everything about it; the family gathering, the succulent food, the shambolic preparation, the cheesy parlor games, and everything in between! Nothing can stop Anna's Christmas joy, or rather, no-one...

Jason Hawthorne is a tall, dark, and handsome billionaire businessman, with eyes as icy as the snow that caps the treetops. Never one to revel in the holiday season, or let such frivolous joy distract him from his own Christmas ritual - namely, locking himself away from everything and everyone in his mountain cabin until new year - he's determined not to let any of that Christmas warmth into his life...

So when an unsigned document threatens to ruin her traditional Christmas rituals, Anna knows she has to act quickly. Battling against the elements to drive up to her billionaire boss' isolated cabin, she knows she just needs that one elusive signature, and she can finally go home; how hard can that really be?

One awkwardly inconvenient snowstorm later, they're both trapped together - marooned with little more than the snow, the trees, and their imaginations. But Anna won't let Jason dampen her Christmas. She'll teach him everything she can about how to enjoy himself this time around!

Will Jason finally allow the magic of Christmas into his life? And will Anna overcome her own lingering indecision, and admit to herself that maybe, just maybe, she's falling for her billionaire boss?

A heart-warming Christmas romance from Lara Hunter and Holly Rayner; full of Christmas joy that will warm the cockles of your heart, with no cliffhangers, and a guaranteed HEA!
