## La Casa de los Espíritus (Spanish Edition) Isabel Allende

*Bestseller* internacional y muy admirado clásico de la literatura latinoamericana, la trascendental novela de Isabel Allende cuenta la historia épica de la numerosa y turbulenta familia Trueba de Chile, con su patriarca angustiado y sus mujeres clarividentes, trazando sus vidas desde los fines del siglo pasado, hasta los días violentos del golpe que derrocó al gobierno de Salvador Allende en 1973. En *La casa de los espíritus*, Allende combina lo sobrenatural con lo real en una versión sumamente personal de realismo mágico. Es raro, el caso, en que una primera novela lanza a su autora tan repentinamente al foro internacionales.
