## T. S. Eliot The Poems Volume One T.S. Eliot

Here, for the first time, is a fully scrutinized text of Eliot's poems, carefully restoring accidental omissions and removing textual errors that have crept in over the full century in which Eliot has been so frequently printed and reprinted. The edition also presents many poems from Eliot's youth which were published only decades later, as well as others that saw only private circulation in his lifetime, of which dozens are collected for the first time.

The first volume respects Eliot's decisions by opening with his *Collected Poems 1909-1962* in the form in which he issued it, shortly before his death fifty years ago. There follow in this first volume the uncollected poems from his youth that he had chosen to publish, along with such other poems as could be considered suitable for publication.

*The Poems of T. S. Eliot* is a work of enlightening scholarship that will delight and inform all those who read Eliot for pleasure, as well as all those who read with pleasure and for study. Here are a new accuracy and an unparalleled insight into the marvels and landmarks from *The Love Song of J. Alfred Prufrock* and *The Waste Land* through to *Four Quartets*.
