The Suzuki Method is based on the principle that all children possess ability and that this ability can be developed and enhanced through a nurturing environment. The important elements of the Suzuki approach to instrumental teaching include the following: an early start (aged 3-4 is normal in most countries); the importance of listening to music; learning to play before learning to read; -the involvement of the parent; a nurturing and positive learning environment; a high standard of teaching by trained teachers; the importance of producing a good sound in a balanced and natural way; core repertoire, used by Suzuki students across the world; social interaction with other children. Suzuki students from all over the world can communicate through the language of music. Volume 4 (AP.30725) includes Lullaby (Tonalization) (F. Schubert); Lullaby (Tonalization) (J.
