Hunter's gold Philippa Mansfield

This classic kids' adventure series follows a 13-year-old boy on a quest to find his father, missing amidst the heady 1860s Otago gold rush. Under the reins of producer John McRae, it brandished unprecedented production values, and panned the Central Otago vistas for all their worth. Its huge local popularity was matched abroad (BBC screened it prime time); it showed that NZ-made kids' drama could be successfully exported. This first episode sees plucky Scott Hunter (Andrew Hawthorn) steal away to Tucker's Valley, spurred on by his doubting uncle.
