A book-and-video training package provides a unique illustration to the basics of Illustrator

Adobe Illustrator is a unique design and drawing program that allows you to create and produce brilliant art for a variety of mediums. This full-color book-and-video training package deciphers even the most complex Illustrator tasks and gets you quickly up to speed using the capabilities of the newest release of Illustrator. Thirteen self-paced lessons explain how to create and produce vibrant graphics using this robust vector drawing application. The complementary lessons featured on the videos are each approximately five minutes long and demonstrate the concepts and features covered in the lesson.

- Escorts you through the basics of creating and producing vibrant graphics using Illustrator
- Deciphers even the most advanced Illustrator tasks and makes them less intimidating
- Features full-color, step-by-step tutorials in the downloadable videos that complement the topics covered in each lesson of the book
- Encourages you to absorb each lesson at your own pace

Jam-packed with information, this book and video training package is just like having your own personal instructor guiding you through each unique lesson.

Note: DVD and other supplementary materials are not included as part of eBook files. These materials are available for download upon purchase.
