Public Health in Europe: 10 Years European Public Health Association

Public Health in Europe: 10 Years European Public Health Association

With the background of the 10 years' existence of the European Public Health Association (EUPHA) the present book deals with the developments and results of European Public Health in Science and Practice. The contributions involve actual aspects and issues of different topics in Public Health:

- Health care management and quality assurance in various settings
- Health promotion and prevention for different population groups
- Health related information and communication
- Health care policy and science.
