Jack Olsen

I: The Creation of a Serial Killer Jack Olsen

Prize-winning journalist Jack Olsen, armed with unprecedented access to one of the most infamous serial killers in American history, provides a fascinating glimpse into the mind of a murderer in the killer's own words . . .

In February 1990, Oregon State Police arrested John Sosnovke and Laverne Pavlinac for the vicious rape and murder of Taunja Bennet, a troubled 23-year-old barfly who had suffered mild retardation since birth. Pavlinac had come forth and confessed, implicating her boyfriend and producing physical evidence that linked them to the crime. Authorities closed the case.

There was just one problem. They had the wrong people.

And the real killer wasn't about to let anyone take credit for his kill. Keith Hunter Jespersen was a long haul truck driver and the murderer of eight women, including Taunja Bennet. As the case wound through police precincts and courts--ending in life sentences for both Sosnovke and Pavlinac--Jespersen began a twisted one man campaign to win their release. To the editors of newspapers and on the walls of highway rest stops, Jespersen scribbled out a series of taunting confessions:

I killed Tanya Bennett . . . I beat her to death, raped her and loved it. Yes I'm sick, but I enjoy myself too. People took the blame and I'm free . . . Look over your shoulder. I may be closer than you think.

At the end of each confession, Jespersen drew a happy face, earning for himself the grisly sobriquet "The Happy Face Killer."

Based on access to interviews, diaries, court records, and the criminal himself, *I: The Creation of a Serial Killer* is Jespersen's chilling story. It chronicles his evolution from angry child to sociopathic murderer, from tormentor of animals to torturer of women. It is also the story of the fate that befell him after two innocent citizens were imprisoned four years for one of his killings.

Edgar Award winner Jack Olsen lets the killer to tell his story in his own words, offering unprecedented insight into the twisted thought process of a serial murderer. Olsen takes his readers along on Jespersen's vicious cross-country killing spree, letting him describe how he played his "death game" with eight innocent victims and how he finally came to grips with the fate he deserved.

I: The Creation of a Serial Killer is one of the most revealing and insightful pieces of crime reporting ever published.
