Notes from the Underground, and The Gambler (Oxford World's Classics) Fyodor Dostoevsky

One of the most profound and disturbing works of nineteenth-century literature, *Notes from the Underground* is a probing and speculative work, often regarded as a forerunner to the Existentialist movement. *The Gambler* explores the compulsive nature of gambling, one of Dostoevsky's own vices and a subject he describes with extraordinary acumen and drama. Both works are new translations, specially commissioned for the World's Classics series.
