We Love Bears!

Bears have fascinated humans for millennia. We all love them and we often assume we know all about them. The truth is our favorite animals are often misunderstood and there are lots of amazing and curious bear facts people don't know or often forget.

Did you know that...

- Bears are amazing moms
- Bears are really shy
- Bears communicate
- Polar bears can overheat

Learn all this and so much more in this amazing picture book that is sure to capture the attention of young children and encourage them to learn and explore animals' lives in the wild and in captivity! This educational kids book is truly a must have collection to any bookshelf, library, classroom or eBook reader.

Primary school teacher and busy mom Ellie Potter believes strongly that the best way for children to learn new things is by playing games and having fun, but most importantly, by creating opportunities for them to use their imagination. Her commitment to education together with her extensive teaching experience find expression in her informative and fun-filled Educational Animal Books Series.

Scroll up, GRAB A COPY TODAY and curl up next to your little one for a short and sweet bedtime story.

Don't miss a wonderful opportunity to affirm your child's natural compassion toward animals and teach them to appreciate the wonders of Mother Nature.
