Borges: Selected Poems Jorge Luis Borges

Though universally acclaimed for his dazzling fictions, Jorge Luis Borges always considered himself first and foremost a poet. This new bilingual selection brings together some two hundred poems--the largest collection of Borges' poetry ever assembled in English, including scores of poems never previously translated. Edited by Alexander Coleman, the selection draws from a lifetime's work--from Borges' first published volume of verse, *Fervor de Buenos Aires* (1923), to his final work, *Los Conjurados*, published just a year before his death in 1986. Throughout this unique collection the brilliance of the Spanish originals is matched by luminous English versions by a remarkable cast of translators, including Robert Fitzgerald, Stephen Kessler, W. S. Merwin, Alastair Reid, Mark Strand, Charles Tomlinson, and John Updike.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
