Things are looking up for Tony Chu, the cibopathic federal agent with the ability to get psychic impressions from the things he eats. He's got a girlfriend. He's got a partner he trusts. He even seems to be getting along with his jerk boss. But his ruthless ex-partner is still out there, operating outside of the law, intending to make good on his threats against Tony and everybody Tony cares about. It's just a matter of time before their investigations collide, blood spills and, inevitably, body parts are eaten!
