How To Quote Shakespeare In Everyday Life Ph.D., Michael Denomme

This is a playful book that is tailor-made for readers who want an unstuffy, unpretentious way of enjoying Shakespeare's extraordinary words and imagery. The book demonstrates in a very practical way that Shakespeare, with his richness of language and psychological insight, is surprisingly adaptable to modern times. Writing in a breezy and humorous style, the author presents nearly 150 scenarios that depict modern life - from working for an odious boss to vacationing in an island paradise, from romancing till dawn to picking up after the kids. But now, rather than reacting to these experiences with trite expressions, the reader has a treasure-trove of over four hundred Shakespearean quotations to enrich these moments in amusing, poignant, even sublime ways. Accompanying every quotation in the book is an "everyday English" translation, a remarkable feature that makes it incredibly easy to understand and select the right quotation to fit the circumstance. In addition, a detailed table of contents and a comprehensive index enable readers to readily match scenarios and quotations with their personal life experiences. The book concludes with a tour de force entitled "Fifty Ways To Love Your Shakespeare," which leaves readers thoroughly convinced that, rather than putting Shakespeare on a pedestal, they need to start putting him where he belongs – on the tip of their tongues.
