Lords of the Sea: The Epic Story of the Athenian Navy and the Birth of Democracy

John R. Hale

Lords of the Sea: The Epic Story of the Athenian Navy and the Birth of Democracy John R. Hale
A stirring history of the world's first dominant navy and the towering empire it built

The navy created by the people of Athens in ancient Greece was one of the finest fighting forces in the history of the world and the model for all other national navies to come. The Athenian navy built a civilization, empowered the world's first democracy, and led a band of ordinary citizens on a voyage of discovery that altered the course of history. Its defeat of the Persian fleet at Salamis in 480 BCE launched the Athenian Golden Age and preserved Greek freedom and culture for centuries. With *Lords of the Sea*, renowned archaeologist John Hale presents, for the first time, the definitive history of the epic battles, the indomitable ships, and the men-from extraordinary leaders to seductive rogues-who established Athens's supremacy. With a scholar's insight and a storyteller's flair, Hale takes us on an illustrated tour of the heroes and their turbulent careers and far-flung expeditions and brings back to light a forgotten maritime empire and its majestic legacy.
