What happens when Darkness and Light collide?

Seventeen is a life changing age for Emma Wise. As her family's sole survivor in a car crash, she is left with a broken arm, and a few scrapes and bruises. But these are only outward marks; inside, her heart is broken and the pieces scattered. Whisked away to Alaska, to an aunt she's never met, Emma starts over. Secrets unveil themselves and now...she doesn't even know who or what she is. A centuries old prophecy places Emma in the heart of danger. Creatures of horrifying and evil proportions are after her, and it will take Emma, her aunt, and six, gorgeously, captivating Guardians to keep her safe. But, if she can survive until her eighteenth birthday... things will change.
