When Paul Abler, a young newspaper reporter, risks his own life to save that of a little girl, he begins an adventure unlike any he could imagine. Down in the echoing tunnels underneath Manhattan, where the homeless hide from the police, he meets a strange man who gives him one amazing insight after another. Paul's life undergoes vast changes as he experiences, for himself, the timeless moment of the universe's creation, the joyful surprise of finding true love, and an extraordinary truth that completely alters his life--and could change yours forever . . .

The bestselling author of *The Last Hours of Ancient Sunlight* explores the deep mysteries that have stirred the human soul since the beginning of time. In this modern-day parable, spirit guides take Paul Abler on a compelling adventure where he discovers, and experiences, the greatest spiritual secret. Paul's voyage is a journey that all of us would like to take, and provides answers each of us has hoped to find.
