To Build a Fire and Other Stories (Bantam Classics) Jack London

To Build A Fire and Other Stories is the most comprehensive and wide-ranging collection of Jack London's short stories available in paperback. This superb volume brings together twenty-five of London's finest, including a dozen of his great Klondike stories, vivid tales of the Far North where rugged individuals, such as the Malemute Kid face the violence of man and nature during the Gold Rush Days. Also included are short masterpieces from his later writing, plus six stories unavailable in any other paperback edition. Here, along with London's famous wilderness adventures and firebrand desperadoes, are portraits of the working man, the immigrant, and the exotic outcast: characters representing the entire span of the author's prolific imaginative career, in tales that have been acclaimed throughout the world as some of the most thrilling short stories ever written.
